Job-Beschreibung

Level up!

Nintendo Co., Ltd., headquartered in Kyoto, Japan, has been providing a wide range of entertainment products and experiences since its founding in 1889, beginning with the manufacture and sale of Hanafuda playing cards. Since the 1983 release of the Family Computer (Famicom) system in Japan, and continuing through Nintendo Switch 2, Nintendo's focus has been the development, manufacturing, and sale of its gaming systems and software.

At Nintendo, we bring together employees with a wide range of characteristics and work together towards a common goal – to put smiles on the faces of people all over the world.

Games-Career.com ist ein Angebot von:

Quinke Networks GmbH
Bei den Mühlen 70
D-20457 Hamburg

Tasks

- Planning, monitoring and controlling software localisation projects to ensure all projects are delivered on time, within budget and at the desired level of quality
- Managing and distributing project-related information
- Resolving issues related to assigned projects
- Guiding international project teams (internal and external)
- Negotiating with all project stakeholders to represent Nintendo's interest

Requirements

- Education or graduate degree in the localisation and/or project management field or several years of work experience in the respective area
- Project management experience and budget handling knowledge
- Very good Japanese and English language skills
- Excellent communication skills
- Analytical thinking with a process-oriented mindset and decision-making as key competences
- Experience in leading a team
- A proactive and positive attitude with eagerness for learning
- Strong work ethic; commitment to and passion for the role

Please bear in mind that it might be an Associate position depending on your professional experience.

Are you interested? We look forward to receiving your application, including your earliest possible starting date and salary expectation.
