Job-Beschreibung

Level up!

Nintendo aims to deliver unique, intuitive entertainment experiences for everyone, manufacturing and marketing video game devices such as the Nintendo Switch™ family of systems, developing and operating applications for smart devices, and collaborating with partners on a range of other entertainment initiatives like visual content and theme parks.

At Nintendo, we bring together employees with a wide range of characteristics and work together towards a common goal – to put smiles on the faces of people all over the world.

Tasks

Games-Career.com ist ein Angebot von:

Quinke Networks GmbH
Bei den Mühlen 70
D-20457 Hamburg

- Maintaining, operating and supporting the Nintendo SAP HCM modules (PA, PT, PY, OM, Portal, PCP, CATS) on our SAP platform
- Providing first, second and third Level Support for all HR Applications (SAP HCM & Cornerstone)
- Maintaining connections and connected applications (e.g. electronic personal file)
- Analyzing requirements and customizing and/or developing the aligned solution in the HR Applications
- Driving the creation of system solutions for our business departments in the area HR Applications
- Collaborating closely with the responsible key users
- Supporting the collaboration between the IT and HR department regarding all topics related to HR Applications
- Coordinating external service partners

Requirements

- Degree in IT or related field or several years of equivalent professional experience
- Experience with customizing and/or developing as well as maintaining SAP systems in an international (European) environment
- Experience with Cornerstone is a plus
- Experience with customizing, developing and maintaining interfaces to other SAP modules or external systems (e.g. IDM)
- Experience in providing consultancy and advice to customers in the HR Applications area
- Proven experience with demand management and requirement management
- Profound knowledge of complex HR processes in an international (European) company
- Very good written and spoken German and good English language skills
- Excellent communication and presentation skills
- High motivation and highly organized
