team. Based on your experience, the concepts vary from basic to complex briefings.

- **Grow into Project Management.** Plan, estimate and manage your own projects.
- **Analyze the creative performance of campaigns.** Together with our artists and performance marketing managers, you constantly work on increasing the performance measures along the customer journey. You develop & contribute to successful A/B tests to take decisions on profound analysis.
- **Interact with Stakeholders.** You are the interface between different departments & are looking forward to facilitating cross-department communication.
- **Share Feedback & Insights.** Additionally, you are contributing to an open-information sharing environment by giving & receiving constructive feedback.

Your skill set

- **Theoretical background.** You have a University degree in Marketing or similar (statistical experience is a nice to have).
- **Professional expertise.** You have first practical experience in the field of Marketing, Project Management, or similar.
- **Analytical mindset.** You have profound knowledge in Excel or a similar spreadsheet tool & analyzing KPIs is an easy task for you.
- **Strong communication skills.** You are approaching colleagues & stakeholders based on your good English language skills.
- **Ambitious team player.** As a highly motivated individual, you like to group up working with an interdisciplinary, international team.
- **Passionate for media/games.** You bring knowledge of- and interest in the gaming industry.

Your power-ups

- **Career opportunities.** Level up with excellent training and development opportunities, such as e-learning, hard- or soft-skill trainings from our InnoVersity or industry conferences.
- **Outstanding benefits.** Get 28 vacation days, a sabbatical, mobile device, contribution to your public transport ticket, and more.
- **Flexible working hours.** We offer trust-based working hours as well as active breaks - play table tennis with your team, work out in our gym or go to our rooftop terrace to get some fresh air.
- **Hybrid Working Model.** We offer our colleagues the flexibility to choose between working from home and our modern offices in central Hamburg. With regular times planned together at the office during our [Office Days](#), we keep up our unique InnoGames spirit!
- **Compensation & Fair Play.** We have career models as well as market-competitive salary grids in place that ensure that we treat our employees fairly. For this regular-level position, the salary range is between 52,000€ - 64,000€ gross. Your seniority level (junior, regular, senior) will be evaluated during the interview process. The salary ranges for other seniority levels differ.
- **Team of specialists.** Be part of a stable, growing, and award-winning global company. Meet your future colleagues in [Business & Game Support](#), [Creative & Product Management](#), and [Development & IT](#).
