Job-Beschreibung

Join our agile and diverse team at Forge of Empires as our new Cross-Functional Developer! You will become an integral part of our Forge of Empires project's feature team, working towards enhancing the growth, technical stability, and longevity of our flagship game. Are you interested in becoming a truly full stack developer with a passion for online games? Unleash your enthusiasm for game development and collaborate with like-minded professionals to deliver an unparalleled user experience for our players!

Your mission

- **Drive Development.** Drive the continuous development and optimization of our flagship game: Forge of Empires
- **Enhance Fun.** Develop innovative features and refine existing game elements with a

strong focus on UI and UX

- **Collaborate with the Team.** Work closely with Browser, Mobile & Backend Developers, Game Designers, and Artists to deliver new game features
- **Own the Game.** Involve yourself in the entire feature development lifecycle, striving for high-quality outputs

Your skill set

- **Professional experience.** Minimum 1+ years of professional experience working with either Haxe, C++, or PHP, ideally in Game Development
- **Passionate creator.** Exceptional attention to detail and a love for crafting amazing player experiences
- **Software craftsmanship.** Well-versed in design patterns and clean code
- **Versatile skillset.** Knowledge of Databases, API design, Rendering, Profiling and/or CI Tools (e.g., git, Jenkins, Fastlane, Go)
- **Solution-oriented.** An efficient, proactive approach to problem-solving
- **Global team player.** Comfortable using English daily and working in a multicultural, international environment

Your power-ups

- **Hybrid Working Model.** We offer our colleagues the flexibility to choose between working from home and our modern offices in central Hamburg. With regular times planned together at the office during our [Office Days](#), we keep up our unique InnoGames spirit!
- **Flexible working hours.** We offer trust-based working hours as well as active breaks - play table tennis with your team, work out in our gym or go to our rooftop terrace to get some fresh air.
- **Compensation & Fair Play.** We have career models as well as market-competitive salary grids in place that ensure that we treat our employees fairly. For this regular-level position, the salary range is between € 58.000-75.000 gross p.a. Your seniority level (junior, regular, senior) will be evaluated during the interview process. The salary ranges for other seniority levels differ.
- **Outstanding benefits.** Get 28 vacation days, a sabbatical, mobile device, contribution to your public transport ticket, and more.
- **Career opportunities.** Level up as a Software Developer with excellent training and development opportunities, such as online trainings, InnoVersity and conferences.
- **Team of specialists.** Be part of a stable, growing, and award-winning global company. Meet your future colleagues in [Development & IT](#).
- **Team events.** Participate in regular team events (e.g., wine tasting, cooking, paintball), barbecue together on our rooftop terrace, and enjoy regular company-get-togethers.
- **Relocation assistance.** If you are interested in relocating to Hamburg, we will help you relocate to Hamburg regarding all the needed resources.
- **English first.** Our company language is English, and we support all our employees and their partners with optional German lessons

InnoGames is one of the leading German developers and publishers of mobile and browser

games and a certified Great Place to Work®. The Hamburg-based company was founded in 2007 and is now part of Modern Times Group (MTG). Together with about 350 employees from over 40 nations, the company founders develop unique games that provide many years of fun for millions of players around the world. InnoGames is best known for Forge of Empires, Elvenar and Tribal Wars, but the company is continually expanding its now 9-game portfolio across platforms and genres. Most recently, InnoGames launched Heroes of History, a novel combination of city builder and hero collection RPG. Excited to start your journey with InnoGames and join our team as a Software Developer? We look forward to receiving your application through our online application form. Junwei Song would be happy to answer any questions you may have.
