Job-Beschreibung

We're looking for reliable and detail-oriented individuals to join our team as Esport Scout - Live Data Collector. In this role, you'll attend top-tier esports events in person and report key live data, monitor the match environment.

City: BERLIN

- Freelance / On-Site (Global Tournaments)
- Flexible Schedule – Hourly-Based Engagements

Games-Career.com ist ein Angebot von:

Quinke Networks GmbH
Bei den Mühren 70
D-20457 Hamburg

Language Required: English

What You'll Do:

- Be present on-site at esports tournaments (LOL, CS2, Valorant, Dota 2, MLBB & AoV)
- Monitor live matches and report key moments and stats in real time
- Submit data to our systems quickly and accurately during each match

Requirements:

- Knowledge of esports games and tournament formats
- Reliable and punctual
- Good communication and observational skills
- Tech-savvy and comfortable using apps/tools for data input
- Fluent in English (written and spoken)

Tools & Support:

We provide all necessary training and materials.

Note:

This is a freelance role, and you'll be paid per hour/match/tournament assignment.

Interested?

Send us your CV and a short paragraph about your esports background.
You can send your CV on e-mail: marko.dimitrijevic@drafted.gg
