## Job description

### **Karlsruhe | hybrid working | full-time | from now**

We are one of the leading publishers of free-to-play online games based in Karlsruhe, Germany.

The Development Services department expands our browser games and integrates new games into our portfolio. Our tasks cover a lot of different topics, ranging from third-level support and game client updates to full-fledged feature implementations.

Are you passionate about gaming and would you like to help us improve and run our games? As part of our team you will be responsible for the development of our existing browser games, but you will also be taking care of varied tasks within the scope of client based

games.

**Please submit your application in English**

**Your mission**

- You take care of technical concepts of completely new projects as well as of new features in our existing projects
- You are responsible for the implementation until it's deployed smoothly
- You work on our existing projects on the backend but also on the frontend side
- You write clean and detailed documentation and share your results with the team
- You are an approachable and knowledgeable contact for other departments

**Your skills**

- You have very good and professionally proven knowledge of modern PHP
- You are very proficient in working with MySQL and MSSQL
- You have in-depth experience with Docker, CI/CD and Kubernetes
- You like working in a team and want to bring you and your abilities to the fore
- You know how to handle complex tasks without losing your cool

**Your Gameforge setting**

- An international company awaits you! English is our company language, as employees from over 35 nations are part of our team
- The future's hybrid! Together with your manager and team, you can arrange how you split your time working from home or at the office
- Where colleagues become friends! Regular team events and an open company culture
- We put our complete trust in you! Through freedom to choose things like flexible assignment of working hours and personal responsibility for your own work
