Your mission

We are looking for a motivated and enthusiastic individual to join our team as Gaming Video Content Producer (m/f/d) to support us promote our games in particular to expand the reach of our Summoners War brand. This can be a full-time or part-time position based in Berlin, Germany, and available immediately.

Your main responsibilities will lie with:

- Planning, shooting, and producing high-quality video content for social media and advertisement channels
-

Games-Career.com is a service provided by:

Filming live community events, tournaments and productions

- Post-production from edit to delivery for a wide variety of formats and uses
- Content editing as needed for our games as well as events for all European territories
- Post compelling content for our target audience, redirecting to our main YouTube page
- Working closely together with internal and external content creators, streamers, and agencies, in different languages
- Achieving a distinct visual identity for our Com2uS Europe content that is still coherent with the overall company communication around the world

Your profile

- 1-3 years of work experience as a video content editor or creator
- Knowledge of pre-production, production, and post-production
- Proficiency with the Adobe Suite, specifically Premiere Pro and After Effects
- Familiar with live-stream software such as Open Broadcaster Software(OBS)
- Proven experience with Twitch, YouTube, or other social media channels is a big plus
- Passion for gaming and knowledge about mobile games is a big plus
- Excellent communication skills in English (verbal and written), and other languages (especially Korean, German, or French) are a big plus
- Not afraid to overcome challenges

Why us?

- Flexible working hours and flexible work-from-home policy
- Yearly training budget for your own professional development
- Corporate transportation ticket and bike leasing to get you through Berlin
- Partial reimbursement of your private phone costs
- Mobile devices as part of working equipment
- The basics of course: free drinks, snacks, coffee and regular team events
- You'll benefit from flat hierarchies and a lot of room to realize your own ideas
- An international working environment and offices around the globe with English being the main language

ABOUT US
