☐

- **Social Media & Content Strategy:** Create and execute in-depth content plans, including calendars tailored to our audience
- **Community Vibes & Engagement:** Take the lead on our platforms (e.g. Discord), creating a welcoming environment, moderating discussions and promote player interactions
- **Content Creation:** ☐ Draft engaging posts, in-game news, changelogs, updates, event announcements and player guides
- **Player Events Coordination:** Organize and manage community events, contests and in-game activities that promote player involvement and satisfaction
- **Feedback-Integration:** Be the bridge between players and developers, collecting feedback to help shaping the next update
- **Metrics & Optimization:** ☐ Track KPIs for engagement and sentiment, using data insights to enhance community strategies

☐

☐Your Skills:

- **Experience:** Proven experience in gaming community management, social media or content creation
- **Proficiency:** Skilled in planning, creating and publishing content across platforms with a sharp, strategic approach
- **Hands-on with Discord & Community Platforms:** Skilled in structuring community initiatives and implementing moderation policies
- **Gaming Enthusiast:** Deep understanding of game mechanics and gaming culture, especially with strategy or multiplayer games
- **Organized & Detail-Oriented:** A Pro at managing multiple calendars, strategies and events with attention to detail
- **Data-Driven:** Experience in tracking and analyzing metrics to optimize community interactions and retention
- **Creative & Player-Focused:** Crafting content and strategies that attracts players
- **Language:** Very good skills in English & intermediate German (written & verbal)

☐

Your Benefits:

☐

- **Exciting tasks and projects:** ☐ In a value-driven environment where we as a team matter, and personal growth is highly encouraged
