Job description

We are looking for a **Senior VFX Artist** to join our in-house art team working on the new mobile game **Heroes of History**. Bring your passion for VFX art, and support our team in creating and implementing awesome effects for our game. Learn continuously by interacting with our experienced team of Artists and Game Development specialists. We are enthusiastic about what we do, and we have fun doing it!

Your mission

- **Create** high-quality real-time VFX for a 3D mobile game, including combat effects, abilities, impacts, environmental effects, transitions, UI effects, and reward moments.
- **Build** and improve art pipelines, tools, exporters, validation systems, and automation workflows.
- **Develop**, optimize, and maintain shaders and materials suitable for mobile performance constraints.
- **Collaborate** with engineers and artists on VFX pipelines, tools, performance profiling, and implementation workflows.

Your skill set

- **Expertise.** You can showcase your professional experience (4+ years) based on an impressive portfolio.
- **Knowledge.** You have a solid understanding of graphics math and a willingness to keep learning and improving in this area.
- **Coding.** You are proficient in coding with C#, Python, HLSL, and CG Shader language or

similar languages.

- **3D.** You are experienced in modeling, skinning, and animation.
- **Tools.** You are skilled in using Houdini, Blender Geometry Nodes, or other comparable software.
- **AI.** You are willing to embrace new technologies and keen on AI-assisted production.
- **Tech.** You are proficient in using Unity3D. You understand technical constraints and are able to integrate your assets into the engine yourself.
- **Team play.** You are a proactive communicator, enjoy sharing knowledge, and are confidently interacting with an international/intercultural team of experts.
- **Qualification.** You have completed a university degree or comparable training in the field of graphics.
- **English as company language.** You feel comfortable in using your excellent English skills in both spoken and written form daily.

Your power-ups

- **Career opportunities.** Level up with excellent training and development opportunities, such as online trainings, InnoVersity and conferences.
- **Outstanding benefits.** Get 28 vacation days, a sabbatical, mobile device, contribution to your public transport ticket, and more.
- **Flexible working hours.** We offer trust-based working hours as well as active breaks - play table tennis with your team, work out in our gym or go to our rooftop terrace to get some fresh air.
- **Hybrid Working Model.** We offer our colleagues the flexibility to choose between working from home and our modern offices in central Hamburg. With regular times planned together at the office during our [Office Days](#), we keep up our unique InnoGames spirit!
- **Compensation & Fair Play.** We have career models as well as market-competitive salary grids in place that ensure that we treat our employees fairly. For this position the regular level salary starts at € 50,000 and the senior level salary starts at € 65,000. The salary ranges for other seniority levels differ. Your seniority level (junior, regular, senior) will be evaluated during the interview process.
- **Team of specialists.** Be part of a stable, growing, and award-winning global company. Meet your future colleagues in [Creative & Product Management](#).
- **Team events.** Participate in regular team events (e.g., wine tasting, cooking, paintball), barbecue together on our rooftop terrace, and enjoy regular company-get-togethers.
- **Relocation assistance.** If you are interested in relocating to Hamburg, we will support you regarding all the needed resources.
